

# You were born ready Khashani

**It seems Mbuyelo's ability to nurture is second nature, as our youngest operation, Khashani Colliery has hit the ground running already.**

Khashani Colliery is currently on 50% in terms of local recruitment. There have been seven (7) appointments of Weighbridge Clerks; three (3) Diesel Attendant appointments; a cleaner, and a General Labourer- all from the local farms and Thubelihle.

Then the mine started looking for shining stars in their team, and one such is Karabo Maswikwaneng, who also resides in Thubelihle. She has been promoted to the position of Weighbridge Clerk from the 1st of March 2023, from joining the team in October 2022.

---

**Keep making those  
strides Khashani.  
You are born of a giant  
and a giant you  
shall grow up to be!**

---
